## FLASH UPDATE 2 SEPTEMBER 2021

edition 2021/16

Dear <<First Name>> <<Last Name>>,

You all have read the latest on the possibility that the Dutch government might impose quarantine on vaccinated and PCR-tested USA passengers? Again we could be one of the few European countries introducing these -totally over the top- measures. PCR test + Vaccination + Quarantine = end of story!

If it's a 'retaliation measure', one might hope restrictions are lifted soonest. But I have my doubts. We go back to those dark days in the beginning of COVID. Each country for itself defining its own rules of a dark game. Airlines, the travel industry and passengers are the victims. It is about time that we realize this horrible virus is and will be amongst us for a long time and we have to find pragmatic solutions that benefit all of us.

The strength in our country has always been: "*we do it together*". Today it feels sometimes, unfortunately, everyone for him or herself.

We will keep on fighting for the interests of our

On behalf of the BARIN Executive Board

## **IATA Global Survey**

IATA is happy to announce that the **IATA Global Passenger Survey** has been kicked off last week. We need your support in reaching a high response rate, making it the biggest survey on travel behavior and preferences worldwide. The survey can be completed within 15 minutes and you may want to distribute this survey to your frequent travelers.

The survey is accessible via the link: <https://bit.ly/3xY7jfz>

On behalf of IATA we thank you for your collaboration.

## **Schiphol Traffic Updates**
