

FLASH UPDATE 29 MARCH 2023

edition 2023/06

Dear <<First Name>> <<Last Name>>,

The court case of KLM cs, and IATA cs took place last Tuesday March 21st. All parties were able to share their arguments and we expect the verdict prior to April 7th.

In the meantime the Provincial elections in the Netherlands have shifted the political landscape. We are curious to learn if and how the major win of BBB will impact our industry.

At least we notice a remarkable difference how they view the iconic Dutch agriculture versus the iconic Dutch aviation industry, despite its incomparable nitrogen deposition...

Why don't you check it from above? Perhaps from Rotterdam The Hague Airport, now that the city council has voted to keep the airport open.

The Dutch Dakota Association is preparing its new season. They are dedicated to the preservation and operation of classic aircraft, especially the Douglas DC3 Dakota. DDA was founded in 1982 and operates the legendary Dakota DC3, with flights from 30 minutes till 60 minutes from Schiphol, Groningen, Maastricht, Lelystad, Rotterdam and some airports outside the Netherlands. Spectacular views of the

bulb fields, Zaansche Schans, Volendam, Amsterdam, or the beaches in Normandy.

Book now and support the

Last but not least we are happy to announce another Preferred Partner, GASSAN Diamonds, another Dutch icon.

Take care,
